

STREET REQUIEM

For those who have died on the street

Street Requiem was conceived by Dr Jonathon Welch AM and written in collaboration with Dr Kathleen McGuire and Andy Payne. Street Requiem is a new choral work that aims to bring a sense of peace, remembrance and hope to many communities struggling to come to terms with street violence and a loss of safety on our streets.

Conducted By
Dr Jonathon Welch AM & Dr Kathleen McGuire

Singers and beginners of all ages are invited to be part
