"THE WIKIMEN"

SUN 5th NOV 2017 7:30pm

*Note temporary change of venue (see map p.2) since Tyers Hall is unavailable whilst Tyers Art show is being set up.

***Lavalla College (Lourdes Performing Arts Centre), Grey St Traralgon**

The Wikimen is a six piece band comprised of Justin Marshall on vibraphone, piano and percussion, Dan Witton on double bass and vocals, Renato Vacirca on drum set and vocals, Nara Demasson on ukulele, guitar and vocals, Rosalind Jones on trombone and Declan Jones on trumpet. Their huge repertoire hails from an era prior to sanitary dentistry practice. You may have seen them appear on the TV music quiz program "Spicks and Specks" or performing live around Melbourne at The Spotted Mallard, Open Studio, 45 Downstairs or at the Night Market.

The Wikimen have chosen upbeat, fun songs from music that was popular in the 1910's through to the 1930's including Hawaiian blues, pop, samba, swing jazz, Western Swing and Mills Brothers songs to name a few, complete with heavenly harmonies and exotica music for your listening and dancing pleasure. They enjoy playing at a volume that encourages intimate conversation on the dance floor as well as the opportunity to encourage the movement of the body in the spirit of grandparents and grandchildren.

The show will feature music from their new CD which will be available on the night.

This is the final of our 2017 Café Culture Series Concerts. Stay tuned for the 2018 Program.
