### About the workshop leaders:

Sue and Wendy met through community music in 2010 and have continued to share their love of music, not only through singing leading, but also with their acapella group "Acoustic Kitchen", of which they were founding members 6 years ago.

They form a dynamic duo when leading together and with the emphasis on fun, harmony and a really good sing, it's guaranteed you'll have a great time!!

**7pm - 9.30pm: Acapella Festival Concert**

The Festival Concert provides the opportunity to enjoy the talents of singing groups and choirs from Gippsland and beyond.

*Workshop participants will be invited to perform in the finale of the Concert.*
