# "Dr Hernández"

\*our final 2019 Café Culture Series concert

## SUN 1<sup>st</sup> DEC 2019 7.30pm TYERS HALL, TYERS

Dr Hernandez are a Melbourne based band and specialise in performing 'Boogaloo' and 'Cumbia' music. Over the last 75 years, Cumbia has grown to be one of the most widespread and unifying musical genres to emerge out of Latin America. The form has its roots in Colombia and finds distinctive expressions across Mexico, Peru, Nicaragua, Ecuador, the United States and now Australia. 'Boogalo' originated in New York City in the 1960s. It's a fusion of rhythm and blues, soul, mambo, rumba and jazz. Boogaloo often features lyrics in English and Spanish to appeal to both English speakers and the expanding Spanish speaking population of the United States. So, in Melbourne,

this music became the perfect fit for the multi-talented Sally Ford who has been singing in both languages for all her professional career. Sally's trademark soaring, bel canto voice leads the five piece band which comprises Patrick Cronin on trumpet, flugelhorn and percussion, Michael Havarir on keyboard, David Joseph on drums and Catherine McQuade on bass and vocals. Sally also plays alto sax and flute.

Sally and Patrick have toured previously with Café Culture Series (in 2000 with "Texicali Rose" and later with "Pachuco Playboys") This time they will be performing tracks from their new CD "8 Remedios"
